Local Delegation Wins 1960 Games Despite Criticism

Money Assured By State Director As Meetings Are Concluded

The California delegation to the International Olympic Committee meeting at Cortina d'Ampezzo is expected home Monday with the glad tidings that all opposition and criticism of Squaw Valley as the site for the 1960 winter games have been successfully surmounted.

A press dispatch from Italy quotes Avery Brundage, international committee chairman, as saying "Squaw Valley must prove they can raise $5,000,000 by April 3rd or else it's Innsbruck."

John M. Peirce, state director of finance, who represented Governor Goodwin J. Knight at the meeting, answered by declaring "there's not a worry in the world."

"The legislature will meet in March and determine the budget, and by the end of the month they will have appropriated the remaining $4,000,000 needed to finance the Winter Olympiad in California ... they won't let down 13,000,000 Californians."

Governor's Support

"Furthermore," he added, "the governor would support a $6,000,000 expenditure, of watever I recommend. Because he knows that I'm the tightest man in California. But the case happens to be that Squaw Valley has said that it will need only the $4,000,000 and that's what it will get."

"We'll be ready," Alex Cushing of Squaw Valley declared, "Mr. Brundage is good at scaring people into activity. That's part of his job."

It was pointed out that while Italy spent $7,500,000 preparing for the games, much of that expense was for roads and utilities. Here the roads, under normal planning program, will be in a separate budget. The Pacific Telephone and Telegraph Company is now spending $1,800,000 on utilities in the Sierra and much of that for Squaw Valley, it was declared.

Work is expected to start on facilities for the games early in April with planning being the first step.

Precipitation Now Double Normal

Precipitation in the Truckee area during the past week measured 2.38 inches to bring the total for the month of January to 12.66 inches or nearly seven inches over normal for the 31 day period.

The current seasonal total is 39.87 inches or 25.73 inches over normal for January 31, the U. S. Forest Service station here reports. Most of the precipitation for the past week was in 23 inches of new snow which brought the present pack to 41 inches.

Temperatures have been below normal with a high last Thursday of 34 degrees being the only day when the thermometers went above freezing. The cold morning was Sunday when the mercury dropped to 10 below. On Tuesday the temperature never exceeded 19 degrees and yesterday morning it settled to nine below, the forest service reported.

In comparing this winter with the record breaker of 1951-52, the forest service points out that at the end of January, 1952, the total precipitation was only 33.72 inches compared to this year's 39.87. However, at the close of the 1951-52 season precipitation here had reached to 49.50 inches.

Librarian Is Speaker At Meeting Of Rotary Club

Roy Baker, librarian at the Community Library located at the high school, discussed the advantages of a library to the community in addressing the Truckee Rotary Club Monday night.

Lee Apple, new manager of Bank of America here, was a guest. Apple was active in the Rotary at Wasco, his former home.

An official of the Reno Chamber of Commerce will speak on the forthcoming Olympic games at a joint meeting of clubs in this area next Monday.

Knowland Reappointed On State Park Group

SACRAMENTO —(CNS)— Governor Goodwin J. Knight announced reappointment of Joseph R. Knowland, Piedmont, and Guildford H. Whitney, San Diego, as members of the state park commission.

The governor also announced reappointment of Wilber D. Simons, Redding, and William L. Blair, Pasadena, as members of the state board of education.

All of the appointments were for four-year terms.

Capital Visitors—

William Carver and Erwin Single were business visitors this week in Sacramento.

Local Team Loses Second Game In Seven Starts Here

The Tahoe-Truckee Wolverines lost their second game in seven starts last Saturday night as they were beaten by the Lovelock Mustangs, 39 to 50 in a Western Nevada Conference tilt.

The Wolverines were scheduled to play Winnemucca Friday night, but due to poor road conditions, the game was postponed.

Tahoe-Truckee opened the game hitting well from the floor and held a 10 to 6 lead midway in the first period. But a fast Lovelock club, led by their 6'6" center, Clyde Anderson, found the range shortly and pulled into a 12 to 10 lead at the end of the quarter. By halftime the Mustangs had moved out in front by 28 to 16.

Both teams cooled off considerably in the third, with the host period as they scored 16 points to a slight edge on free-throws.

The Wolverines finally found the hoop once again in the fourth period as they scored 16 points to Lovelock's 11, but it was too late to over take the Nevada squad. The Mustang's win actually came from the free-throw line, where they outscored Coach Con Briner's varsity 22 to 3, while the Wolverines outhit their hosts, from the court, 18 field goals to 14. Every man on the Tahoe-Truckee's squad saw action.

The Tahoe-Truckee Junior Varsity took an easy 42 to 28 win over the Lovelock Juniors in the preliminary game Saturday with a fast breaking offense that saw almost every man on the Cub squad hit the scoring column. The victory gave Coach Jim Brehler's team a won-lost record of 4 and 3 for the season, which includes 3 wins and no losses against conference opponents.

Friday, February 3rd, will find the Wolverines and Cubs in Downieville for a pair of non-conference games. They will return home Saturday night, February 4, for the return match with the Mustangs from Pershing County. Game time is 7:30 P.M., with another special half time game scheduled between two "mighty-mite" squads picked from the local seventh grade.

CAR FALLS OFF JACK HURTS IDAHO MAN

Robert Roe, 31, Nampa, Idaho, was rushed to the Tahoe Forest by Truckee ambulance Monday after a jack slipped while he was adjusting chains, letting the car fall upon him. The upper part of the victim's chest was injured seriously but his condition is improved following treatment by Dr. L. D. Nelson.

Roe was en route home with his wife and sister in law after a California visit when the mishap occurred near Cisco.

NAVY WILL CONDUCT SNOW TESTS HERE

Truckee's proposed airport soon will be used for testing purposes by the U. S. Navy.

Supervisor H. G. Loehr reported this week that navy officials have contacted him relative to a local site on which to test caterpillars which will be used in the arctic area for handling planes and similar heavy loads of equipment.

The crew is expected to arrive here February 15 to make the tests on the area southeast of Truckee.

Officers Installed At Meeting Of Rebekahs

Laura Horman, noble grand, preside at the meeting of Rebekah Lodge No. 2 January 25th when Pearl Heller, district deputy president of this district installed Virginia Robart, outside guardian, Eleanore Capel, right supporter of the vice grand. Winifred Kamp installed Mrs. Heller as right supporter of the noble grand.

Following installation of officers further instructions were given the new officers of the lodge.

Mrs. Robart and her infant daughter, Deborah were honored at a shower receiving many lovely gifts for the recent arrival.

Refreshments were served by Lucille Bick and Anita Allison. All officers and members are asked to be present at the February 8th meeting when preparations will be made for initiation which will be held on February 22nd.

Summit Resort Sale To Moriano Is Revealed Here

Beacon Hill, Soda Springs Hotels To Be Joined Under Plans

SODA SPRINGS— Sale of the Soda Springs Hotel by Brant and Doris Chaplin to Elmo Moriano, owner and operator of Beacon Hill Lodge for the past 15 years, was announced yesterday.

At the same time, Moriano announced an extensive improvement plan which he said would involve close to $100,000 which will unite the hotels with a dining room and coffee shop between the two large buildings. The addition will connect the two structures providing one continuious unit.

With the addition of the Soda Springs Hotel to Beacon Hill Lodge accommodations will be available for 500 people, Moriano said.

Moriano built Beacon Hill Lodge in 1940 and has been operating it since that time. The Chaplins, who purchased Soda Springs Hotel from the Jones interests several years ago, plan to move to Reno. Moriano took possession of his second Donner Summit resort yesterday and will start the improvement program as soon as possible.

The purchase price was not announced but will exceed $150,000.

Rose Brothers Is Now Z Markets

Rose Brothers Market, at Gateway Shoppig Center, is a thing of the past, but in its place, under the same management and with only the name changed is the Z Market.

Dave Rose, who has managed the store for the past 10 years, or since it was started under the name of Truckee Public Market on Main Street, this week announced a change in ownership in which he became the sole owner of the Truckee store, the three brothers having dissolved partnership.

Under the new management, Charles Rose became owner and manager of the Quincy store while brother James takes over the Oroville store. The Truckee brother, Dave, announced that he is completing arrangements to open as a second Z Market at Arcata in Humboldt County early in the summer.

Rose said the only change in management, policy and departments at the Z Market here is the name, with the same personnel being employed and the same service and merchandise offered. Affiliation with the United Grocers will be retained.

The name Z was chosen, Rose said, because of its simplicity in design and the fact that it is easy to memorize.

Wyethia Club Will Hold St. Valentine Luncheon

A St. Valentine's Day one o'clock luncheon will be given by the Wyethia Club and served in the Methodist Church by members of the Woman's Society of Christian Service.

Reservations for the event may be made with Mrs. I. Firpo at Cabona's store by February 10th when all interested in attending are welcome even though they may not be present members.

Mrs. Eugene Welch, will preside at the meeting following the luncheon and a social hour will conclude the gala affair.

Sports Show

Dates for the 1956 San Francisco National Sports and Boat Show have been set for March 2 through 11 at the San Francisco Civic Auditorium, Thomas R. Rooney, the exposition's manager announced this week.

Seeks Permit

WASHINGTON— The communications commission has received an application by Robert Bijon of Lake Tahoe, Calif., for a new radio station of 1490 kilocycles.

Correction

Girl Scout Troop No. 2 under the leadership of Mrs. Fred Pedley entertained friends at a dance recently instead of Donner Troop No. 3.

SUNBEAMS

By WALTER M. BARRETT

Another move to deprive bait fishermen of their rightful use of the waters of the Truckee River has been inaugurated, this time through recommendation to the state fish and game commission. In the past similar efforts have been blocked time after time when the discriminatory action was brought before the legislature. The present action, certainly not sponsored by any local organization, would prohibit the use of bait between the Truckee river bridge at Truckee and the Boca bridge. This particular portion of the river is most popular with youngsters and tourists because of its accessibility and easy terrain, and this particular type of fisherman usually enjoys his pleasure using bait. Certainly any move to bar the balance of the river to fly fishermen would immediately be met with loud protests and urgent demands, and we cannot see why the bait fisherman should not introduce such action if the fly fisherman is allowed to have his exclusive waters on a public stream. It is just possible that the argument will be used that this is only a trial experiment, but in our opinion it may provide an opening wedge, and if the fly fisherman finds that he is benefitted by this action and there is every reason to believe he will be— then what would prevent him from going a step further and have another seven miles closed and then the whole river. We are of the firm belief that if bait fishing is legal then it should be allowed where the streams are kept open and stocked by fishermen, regardless of legal methods they use to fish. We hope our stand will be unanimously supported by the sportsmen of the district.

Engle Anxious To Aid Airport Here

That Congressman Clair Engle will exert every effort to assist this area in obtaining an airport was reassured this week in a letter from the congressman inquiring about the progress being made locally.

"I am really very anxious to press this matter vigorously," Engle declared.

The letter pointed out that success of the forthcoming Winter Olympic Games will depend upon adequate transportation and urged local interests to coordinate their efforts is an attempt to secure the assistance of the county and state.

The CAA has tentatively approved the field as adequate for accommodating DC-3 type planes and is now awaiting a survey to determine actual costs and possibilities for providing the landing strip.

Supervisor H. G. Loehr said he has received tentative approval of the county to share in the cost of this necessary survey and directors of the Truckee Public Utility District have indicated that that political subdivision can, if necessary, sponsor the survey.

While it is not known whether or not any of the state funds can be tapped for assistance, an investigation will be made of this possibility. An official of the state aeronautic committee, who visited here recently, indicated that his organization stood ready to lend all possible assistance.

In the meantime, snow is preventing a survey and until the field is comparatively clear, the matter must remain in the planning stage.

Lisa Ann Briner Born At Tahoe Forest Hospital

Lisa Ann Briner are the names of the seven pound daughter born at the Tahoe Forest Hospital to Mr. and Mrs. Conrad Briner of Tahoe City on Sunday, January 29 at 8:13 p.m. Dr. Ben King attended the mother and daughter. Briner is assistant principal at the Tahoe Truckee High School.

PATRONIZE ADVERTISERS

Gary Anderson Is Selected By Firm For High Honors

Tahoe Truckee High Boy One Of 40 Selected In United States

Gary B. Anderson, 17 year old Tahoe-Truckee High School student and son of Mr. and Mrs. Bertel A. Anderson of Pineland, Tahoe City, has been signally honored in the Westinghouse 1956 Science Talent Search.

Gary was one of 40 school students selected in the United States for the finalists in the scientific search. He will go to Washington, D. C. from March 1 to 5 where he will compete with other youths so honored for the grand science scholarship award which carries with it a $2,800 educational fund. Other awards in the contest will range from $100 to $2,000. All expenses for the trip are paid.

Only two other boys were selected from the scores of schools in California. Peter B. Roney, 16 of Los Angeles and James C. Nearing of the Inglewood High School, will also compete.

Another Tahoe City boy, Richard Gardon Hinkle, who graduated from the high school at Tahoe City was a finalist in 1944.

Young Anderson hopes to enter the California Institute of Technology to prepare for a career in electronics engineering after graduating in June from the local high school.

A former Boy Scout and now a student representative of the California Scholarship Federation, and president of his student body, Gary has won awards in mathematics and skiing and holds a first class license as radio telephone operator.

He built a simplified transistor receiver for radio control, and experimented with a television noise suppressor. For his science projects, he sets down results of preliminary research on a devise he believes could materially reduce or eliminate interference in television reception.

During the summer Gary worked as a laborer, truck driver and tractor operator. His father is the developer and contractor of the Pineland Tract south of Tahoe City and the family has lived there for many years.

The honor is a reflection not only upon the fine ability of the receiver but upon his school and the community and will wish him the best of luck in the March finals.

PARKING AREAS IN TRUCKEE CLEARED

State crews and equipment today cleared the main street in Truckee following the storm of last week which deposited 23 inches of new snow in the area. Despite warning and signs, it was necessary to tow half a dozen parked cars off the street before the work could start.

The division of highways is to be praised for the fine job and the cooperation is sincerely appreciated by local merchants as well as motorists.

VEHICLE OWNERS IN STATE ARE WARNED

All California motorists were alerted today to avoid penalties on their 1956 license plates by securing their registration renewals before midnight, Saturday, February 4th.

Applications mailed Saturday evening with a postmark earlier than midnight will be accepted as penalty-free.

Penalties set up in State laws double the flat $8 annual registration fee imposed on all vehicles. thus increasing this portion of the fee to $16. And the law increases the license fee portion of the total by 50 per cent when it is paid after the penalty deadline. Fee statements issued by the Department show the combined amounts as a single total.

TAHOE SKI CLUB TO MEET FRIDAY AT 8

TAHOE CITY— The Squaw Valley-Lake Tahoe Ski Club will meet Friday evening at 8 o'clock at the Tahoe Community Center. Mrs. Sophia Baker will be in charge of the program and President Bill Briner will preside.

Area Auto Crashes During Past Week Hurt Seven People

Seven people were taken to the Tahoe Forest Hospital, three of them with major injuries, as the result of a series of automobile accidents in this area during the past week.

Monday morning at 12:15, Everisto Dominguez, Truckee and David M. Hench, Walnut Creek, were seriously injured and Malton Sorensen, Mountain View, suffered minor hurts when cars driven by Andrew Garcia, Truckee. and Sorensen crashed headon five miles east of Norden on Donner Summit.

Garcia was cited for being on the wrong side of the highway by Patrolman William Gautsche. The officer reported Garcia applied his brakes on the slippery roadway and that his car ran into the front of the Sorensen car.

The injured were brought to the hospital by Truckee ambulance.

Four Hurt

In a headon collision one mile north of Tahoe City on Route 89 Friday night at 8:40, four were injured, one seriously when cars driven by Richard Ruud, Los Angeles, and Thomas G. Fulner, Piedmont. crashed.

The accident was caused, the highway patrol said, because a number of cars were illegally parked o the pavement.

Taken to the hospital by the Truckee and Tahoe City ambulances were Dominie Kaztoff, Piedmont, whose injuries were described as major, and Katherine Bach, Piedmont, Pat Keene, Lafayette, and Patricia Hurst, Oakland, who had minor injuries.

None was injured Friday at 11:15 a.m. when a car driven by Gearge Keiffer, Redwood City, collided with a state snow plow operated by Erving Frates of Truckee.

In still another snow plow accident five miles east of Truckee Kenneth North of Richmond escaped injury when his car hit a plow operated by George Bentin of Truckee. North was cited.

St. Louis Holding Hoop Series Lead

The St. Louis Club continued its winning ways in the Truckee Athletic Club's basketball series Monday evening but not before overcoming a dogged, determined bunch of Telephone Company boys, finding themselves behind eight points with only three minutes to play.

The St. Louis finally won 63 to 58.

High point man for the winners was Larry Williams with 24 while Dale Freeland of the linemen amassed a total of 34.

In the second game, the American Legion finally won out 39 to 30 over the 20-30 Club. John Reed was the high point man for the Legion with Willie Curran taking the same honor for the 20-30.

Although the Legion led during most of the contest, the 20-30's were always within striking distance and it wan not until the final minutes that the winners took command.

Tonight brings together the league leading St. Louis and the 20-30 in the first game with Jim's Barbers vs. the American Legion. These games start at the high school gym at 7 P.M. All games are interesting and everyone is invited. They are sponsored by the Truckee Athletic Club.

Monday evening the 20-30 will tangle with Jim's and the Legion will meet the Telephone five.

Deadline For Filing Of State Forms Announced

Robert C. Kirkwood, Chairman of the Franchise Tax Board, stated today that the due date for filing forms IT599 and IT596 information returns is Wednesday, February 15. All individuals and businesses making payments of salaries, interest, dividends, rents and other types of income must file these reports.

Employers must file an information return, form IT599, for each single employee earning $2,000 or more and each married employee earning $3,500 or more during 1955.

Mr. and Mrs. Augustus Benjamin celebrated their wedding anniversary on New Year's Day.

Sportsmen Meet To Oppose River Closure By State

Determination Would Close Seven Miles To Bait Fishermen

Members of the Truckee Outdoor Sportsmen will meet next Thursday evening at Capitol Hall in what promises to be one of the most important sessions of the year. Recommendations to the state fish and game commission affecting this area will be discussed.

Principal among these recommendations and one which is expected to draw vigorous protests from the local sportsmen is the suggestion that seven miles of the Truckee river from the bridge at Truckee to the Boca bridge be closed to bait fishermen.

This is not a new proposition for the local sportsmen to combat. For the past several years it has been introduced as a bill in the legislature but each time it has been successfully stopped. The present approach is new. A recommendation was made at the January 6 meeting of the commission in Sacramento that "certain" streams be close to all but artifical lures. The commission apparently determined that a portion of the Truckee be so designated.

Will Hear Protests

William J. Harp, assistant to the commission, when questioned regarding the recommendation this week, said the matter had been presented to the commission as a routine proposition by "several" people, but added that the commission would fully consider any opposition from the local sportsmen or other organizations, if it is not desireable.

Charles Osburn, vice president of the local club, said President Jack Waggoner and Secretary Edith Welch would both attend the Los Angeles meeting February 24th to express the wishes of the sportsmen, but urged other organizations here to make their desires known by letter or in person.

Dam Fishing

Another recommendation which may bring a protest from the local club, particularly in reference to the Truckee river at Lake Tahoe, was one which abolishes a law against fishing within 150 feet of any dam. It is pointed out that the huge trout which live under the dam at Tahoe City are a tourist attraction of considerable value and the local sportsmen will probably oppose the rule which would permit that huge school of giant fish to be caught.

Two other recommendations affecting this area are favored by the club. They would discontinue closure of an area within 300-foot radius of the mouths of tributaries at Independence Lake and extend spring and fall spawning closure on Lake Tahoe to include 200 yards from the mouths of tributaries.

Open Donner

Also approved and sponsored by the Truckee Outdoor Sportsmen was a recommendation that Donner Lake be opened on March 31, a month and a half ahead of the regular opening. This was recommended to allow for hooking kokanee which are a cold water fish and usually go deep into the lake by the time the regular season opens.

For this district, under recommendation, the season will open May 19 and close October 31. The bag limit would be 10 fish but the commission would allow the taking of five additional trout of the Eastern Brook species. The weight of this combination would not exceed 10 pounds and one trout.

All sportsmen and others interested are urged to attend the meeting of the sportsmen next Thursday evening.

NEW CHIEF OF LODGE WILL BE INSTALLED

Pythian Sisters, Summit Temple No. 79 will install Icalene Kohl as most excellent chief at a ceremony to be held in February. Other officers to take their chairs for the coming year will include Edith Welch, junior past chief; Edith Pfaendler, excellent senior; Mildred Coffey, excellent junior; Pearl Heller, manager; Alta Van Sickle, secretary; Julia Ciardella, treasurer; Ella Waters, protector; Laura Gaiennie, guard.

Fifth Grade Arranges Historic School Display

The fifth grade at the Truckee Elementary School has assembled a very interesting display of antiques in connection with their study of the early history of this region. Among the relics are ancient guns, a newspaper dating back to 1807 and a flint-lock rifle on 1666.

In connection with the study, Walter Barrett, Sierra Sun editor, spoke before the class Monday and answered questions relative to the early history of Truckee. Hugh Smith is the class teacher and arranged the worthwhile display and invites those interested to visit the school.

Sunshine

Saturday morning and what a beauty it is. At 7 A.M. the temperature was 10 degrees and now at 9 A.M. it is 20, so it is warming up pretty fast, and an extra special day for skiing. There are ever so many up from the bay area and Los Angeles. Crystal Bay is just a beehive of cars and people, and the resorts were doing a big business. The lake, I am told, has risen a couple of feet and should, we hope, keep up to a higher mark than last year. The last storm brought snow enoght to make everybody happy and now the sun is brilliant and wonderful. What a country it is, to be sure.

Betrothal

Dee Siple wrote to tell us that Glenn Young, son of Dr. Charles S. Young of Glendale and Kings Beach, and nephew of Dee, has become engaged to Ruth Palmer of Glendale. We are so happy for them. Galen is a swell young fellow and will make a wonderful husband. Talking about Dee, she says the password here is smog golleeee. "It's awful and visibility is almost nil at times. We know the snow is tough, but I would rather take a chance in that than this smog that we have most of the time. Thirteen days out of nineteen we had real dirty smog, can't even see the mountains. Can hardly wait until I get back to beautiful gorgeous, wonderful Lake Tahoe", she wrote.

Baby

It's almost a month now since the Ray Bisio's of Kings Beach took on a new partner in the form of a beautiful baby boy. This makes three boys. The name of the latest is Patrick Neil. How I came to miss reporting it before I don't know, unless it was because he was born in Sacramento. Ray is the popular principal of the grammar school here.

V. F. W. Show

This Saturday night the V.F.W. of this area is putting on a great show at the Brockway Theater at Kings Beach. Last year the V.F.W. had a magnificent show and the one this year promises to be bigger than ever. It is for the March Of Dimes, so we know you will not want to miss it. According to Ray Plunkett last year this area was tops as it gathered in more cash for this most worthy cause than any other unit. This project takes in more than this post, and it is hoped that this year, with the help of the entire community, it will far surpass that of last year. Won't you help this worthy cause. The counter of the Crystal bar is already doing its part as it has been covered several times.

Church Dinner

The W.S.C.S. of the Kings Beach Community Church will hold a dinner at the church on Sunday eve, February 12th, Lincolns Birthday. It will be from 5 p.m. to 7 and the most delicious chicken pie you ever ate. The price will be very nominal, for grownups, and a reduction for chiildren. Mrs. Judy invites as many as possible to attend. Don't forget the date, February 12th.

Lots of People

Was up the hill last Saturday night. While talking to a bus driver he told me there were sixteen busses there each with at least 35 persons aboard. That, with a couple of hundred cars, with at least four to each, gave us almost 1,400 people, and the parking facilities were atrocious, but you will remember it is like that in the summer time too. As far as skiing is concerned, it was the most wonderful ever. The temperature this morning was zero, with the sun shining brightly. Outside you see a handful of fans snowballing, doing acrobats, and having the time of their lives. The best of it is they are all a swell, clean, well-behaved young Americans. It does ones heart good to mingle with such a group. No cuss words just a very happy-go-lucky group. And again the resorts were loaded.

Visitors

Saw Jimmie Dickow last week. The Dickows and grandparents were up here some years ago having built a home and cabins in Kings Beach, but Jimmie tells me they are now living at Vallejo, but often wish they were back at the lake.

In Hawaii

Was talking to Barney Gilmore last week. He was telling me that his mother was over in the Hawiian Islands and is enjoying it. After the 25th of February she will return to the bay area and stay for a few days and then return with Barney to her home at the lake.

Certificate of Individual Doing Business Under Fictitious Name

Know All Men by These Presents:

I, the undersigned, John J. Goldsmith do hereby certify:

That my name in full is John J. Goldsmith and that my place of residence is P. O. Box 143, Truckee, California;

That I am transacting business in the State of California under the fictitious name and style of MEADOW LAKE PARK REPAIR SERVICE; that I am the sole owner and proprietor of said business; that the place where said business is carried on and my principal place of business under said name is situated at TRUCKEE, CALIFORNIA.

In Witness Whereof I have hereunto set my hand this 23rd day of January, 1956.

John J. Goldsmith

STATE OF CALIFORNIA, County of Nevada,

On this 23rd day of January in the year one thousand nine hundred and fifty-six (56), before me, William A. Carver, a Notary Public in and for the County of Nevada, State of California, residing therein, duly commissioned and sworn, personally appeared John J. Goldsmith known to me to be the person whose name is subscribed to the within instrument, and acknowledged to me that he executed the same.

IN Witness Whereof I have hereunto set my hand and affixed my official seal in the County of Nevada, the day and year in this certificate first above written.

William A. Carver
Notary Public in and for the County of Nevada, State of California.

STRICTLY STRICKLAND

By Bill Strickland

Probably the biggest news on the mountain this week is the pending sale of the Soda Springs Hotel to Elmo Moriano of Beacon Hill Lodge. The combining of these two very popular resorts will certainly solidify the Soda Springs Ski Area.

This past weekend of clear weather (that sunshine was terrific, wasn't it?) brought skiers to the mountain top in droves. Every resort in the area had to pull in the "No Vacancy" sign. It wasn't our pleasure to see the activity in person, but the signs of a full weekend were previlent everywhere. We certainly have the snow now, so perhaps with some good crisp, clear weather, our winter season con get underway.

The D. H. O. race at the Sugar Bowl was held over the weekend with the top laurels going to Gardner Smith of Reno and Babette Haueisen of Soda Springs. Smiths' time as a Class A runner topped by several seconds the best time of the Open classification runners. Quite a racer, that boy!

We spent the weekend in Yosemite, trying to herd five Junior American Legion racers through the FWSA Junior meet. Conditions there were ideal and so were the results. Although our team members were not in the "Win, Place or Show" category, they all ran excellent races and will all move up with more competition. Kit Schull, Starr Walton and Jimmy Huega, (this lad is truly fabulous) all won their respective classes, and all very conclusively. This coming weekend the Donner Summit American Legion Junior Skier's head for Eidelweiss and another shot at the win column.

Did you hear about the scientists who have perfected a pill that prevents sunburning and blistering from sun exposure? What a boon that will be to skiers, if it is marketed. Even redheads tan very effectively.

DIANA ABBOTT IS WED TO MAURICE LEMKE AT TAHOE

KINGS BEACH— One of the loveliest weddings was that of Miss Diana Abbott and Maurice Lemke, solemnized Sunday afternoon at 3 P.M. in the Community Church in Kings Beach. Officiating at the formal rites was Rev. A. B. Covher, pastor of the church. Mrs. Ruth Mizner was the organist and Mrs. Kay Felte the vocalist.

The bride was given in marriage by her father, Byron L. Abbott. Arrangements of white lillies and carnations graced the altar which was candlelighted.

The bride wore a beautiful gown of white lace over heavy satin. The bridesmaids, Jeanie Rood and Joyce Lyons, wore pink and blue lace gowns. Jackie Abbott, as maid of honor, wore pink lace over satin.

The best man was Del Birdwell of Park Air Force Base and the ushers were Barney Gilmore, Jimmy Crawford and Warren Lee Coats.

The church was filled and those among the guests were Lucile Mulkey, grandparents of the bride and two aunts, sisters of Wilma Abbott, Mrs. Amy Engle and Sarajane Coats and brother and sister in law of Mrs. Abbott. Mr. and Mrs. Lynn Kemper; Aunt Edith Garrett and daughter, Ruth. On the father's side were Mr. and Mrs. A. E. Abbott of Kings Beach.

After the ceremony a reception was held at the Carpenters Hall where a big cake was cut and refreshments served.

The happy couple left for Seattle on a brief honeymoon, and will then return to Park Air Force Base where they will be at home for a while. It is hoped they will eventually make their home at the lake.

$50,000 Damage Suit Filed As Wreck Result

NEVADA CITY— A suit for $50,000 in personal injuries against a Nevada state trucking line and one of its drivers has been filed in Nevada County Superior Court.

In the suit Lyle M. Wescoatt charges negligence and carelessness to Robert Pete Ernaut and Silver State Truck linnes for an accident which occurred between one of their truck-trailer combinations and a service truck Wescoatt was driving on February 3rd, 1955, on U. S. Highway 40 in front of the Soda Springs Hotel. He alleges the collision between the vehicles threw him to the pavement and that resulting injuries were permanent in nature.

Carol Wilson Selected As Queen Candidate

TAHOE CITY— Miss Carol Wilson, daughter of Mr. and Mrs. Ivan Wilson of Lake Forest, was one of the beautiful Sacramento College coeds whose photographs appeared in the college weekly, 'Pony Expres', as competitors for the coming Camelia Queen title contest. Eight of the coeds were pictured as among those selected to compete in the contest which is sponsored by the A-Capella Choir.

Candidates from Sacramento Junior College will be competing with girls from the Sacramento State and American River Junior College for the title. During the week from Feb. 6th to 10th, candidates from each college will be interviewed by a committee of judges who will select three girls from each of the colleges for the final competition. Judges will assess each candidate on the basis of appearance, personality, social skills and the ability to express herself,— including microphone technique. Informal afternoon dress heels will be the accepted costume.

On February 29 the judging committee will select one of the nine candidates chosen during the preliminary judging to serve as the queen. The other eight will serve as attendants. Each of those chosen will receive an evening gown and a $50 government bond as a reward. In addition, the one selected as Camelia Queen will receive a round trip to Portland for herself and her mother with all expenses paid, besides $100 which may be used for a wardrobe.

Republican Dinner Will Be Held February 8th

State Controller Robert E. Kirkwood will be the principal speaker at the Lincoln Day Dinner to be held at Bret Harte Inn in Grass Valley Wednesday evening, February 8th. Earl L. Covey, assisted by Leonard Prisk, is chairman of the event sponsored by the Republican Central Committee of Nevada County.

Tickets are available from members of the committee, Republican Women's Club members and assembly members or at Eearl Covey's Garage in Grass Valley.

Local Library Receives Set Of Valuable Books

The Tahoe-Truckee Community Library announced today the receipt of one of the 1,600 sets of Great Books of the Western World that is being distributed through a selection committee of the American Library Association under a grant from the Old Dominion Foundation. Announcement of the names of recipitents was made at the ALA headquarters in Chicago by David H. Clift, ALA Executive Secretary.

The celebrated 54-volume work, including the unique idea-index the Syntopicon, was produced by Encyclopedia Britannica in collaboration with the University of Chicago.

The set contains whole works, not excerpts, and for 21 of the 74 authors, all their works. It represents the only publication in English, or the only edition aside from rare or expensive printings, of key works by Aristotle, Hippocrates, Galen, Euclid, Archimedes, Ptolemy, Copernicur, Galileo, Harvey, Descartes, Pescal, Newton, Montesquieu, Kant, Lavoisier, Fourier, Faraday and Freud.

LADIES NIGHT IS ENJOYED AT LAKE

KINGS BEACH— Monday night was Ladies Night for the Rotary Club of Brockway. Due to the fact the Ta-Neva-Ho building is undergoing extensive remodeling, the dinner was served in the Crystal Bay Lounge.

After the partaking of a ham dinner, President Bill Randall called for the introduction of the visiting Rotarians and guests who were Jim Sherritt, Art Couilliard and D. H. Tremayne of the Truckee club.

The big event of the evening was the inductions into the club by Jim Sherritt of three new members, namely Sidney Gibbeaut, Robert Howell and Ed Armstrong.

Preceding the above ceremony Sherritt told of his personal observation of the Yuba City flood devastation. He also complimented our club upon the donation of $325 to the flood fund, which helped to swell the district No. 164 fund to over $10,000.

Next Monday night February 6th, the meeting will be held at the Donner Lake Lodge in joint session with the clubs of Truckee and Tahoe City.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

January 31, 1956

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sel alcoholic beverages at these prem ises, described as follows:

s|s Highway 40, Soda Springs, Nevada County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

On-Sale General
Off-Sale General

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Tahoe-Truckee School District News

Truckee Elementary

FIRST GRADE: We are now working on a new unit on food. The children have been learning about the kinds of food and where we get them from. We will set up a cafeteria in our room and the children will choose good lunches, dinners and breakfasts.

Russell Glenn, Gary Kehm, Sandra Miller, Twila Barber, Linda Carter, Bill Waters and Lenny Vind will get new books this week and be able to take home the book they have finished.

THIRD GRADE: The second semester of social studies will be on transportation and its relaxation to traveling to other countries. On the imaginary trips to visit children in other countries we expect to find out about their homes, foods, clothing, religion, schools, the ways they are like us, and also how they live comparatively.

Those making a hundred in spelling this week were Carol Kunkler, Gerri Steele, Gary Sturcke, Sheila Larrivee, Mike Ingalls, Kenneth Taylor, Marcia Leamon, Nicolasa Marroquini and Judy McGwinn.

FOURTH GRADE: Study of the Central Valley and the coast of California was done in committees. Committee chairmen were: Jamie Hamilton, San Joaquin Valley; Robby Kaspian, North Coast; Dianne Cardinal, Sacramento; Evelyn Hintz, San Francisco area; Gary Costa, Central Coast, and Dick Ingalls, South Coast.

FIFTH GRADE: Cooperation and participation have been especially noticeable in the fifth grade for the past several weeks, and increasingly so this week.

For the past four weeks or so the class has been working on what it chooses to call a "talking time-line". This is a moving strip of paper about fifteen inches wide, which moves past a window in a box, much like a picture on a television screen. Each student has contributed historical information, based on his own research, to be represented on this time-line in picture form.

The committee responsible for construction of our "time-line machine" are: David Pankoke, chairman; Gary Brines, and Dennis Whiteneck. Juaquin Fuentes is responsible for all the artwork on the time-line strip. He is assisted by Dennis Whiteneck.

Pamela Rose has compiled a composite chronological listing of all incidents to be depicted.

Another undertaking of the class has been to set up a museum in the classroom. Objects on exhibit are those belonging to families of participating students. Each item on display has with it a large card describing the object, its origin, its history, and its ownership. Visitors are welcome to come to our museum. Contributions to our museum are: A flint-lock rifle; circa 1666, by Mike Miller; A copy of the "Daily Express' dated October 21, 1807, by Pamela Rose; A Russian stiletto, circa 1850 or earlier, by Mike Kenyon; A Turkish coffee-grinder, circa 1830, by Diane Kaspian; A metal horse; circa 1880, by Ellen Patnoude; A china doll, circa 1860, by Gene McGihon; Two old rifles, by Gary Brines; an old shotgun cleaner, by Kittie Ellis. Other contributions were made by Mary Ann Miller, Virginia Barnes, Janice Eaton, Janice Roth, Dennis Whiteneck, Joe Parkhurst, Joe Cabrera, Fred Steele and Susan Budd.

Anyone interested in visiting the fifth grade museum is invited to come between 12 and 1 or 3 and 3:30 on any school day.

SIXTH GRADE: We are just completing our unit on Canada and Alaska.

Next week we shall begin our new unit on Mexico and Latin American countries to the south.

Last week Pamela Freeman's team bested April Lander's team in a contest of question and answer on Canada.

Donner Trail

Kindergarten, first and second grades say, "Square dancing is fun". First we do the dance without the music until we learn our parts, and then we follow the directions of the caller on the record. The fourth, fifth and sixth graders were invited, and they danced too.

Our long winter days have come and because of the snow depth we must spend our recesses inside the building. We spend the time learning games and dances of all kinds. Some of the children have brought games to school that we can play. Sharon Piche brought us a game in which we learn the names of places all over the world.

Mrs. Bergman Hostess At Auxiliary Meeting

CRYSTAL BAY— Mrs. Barbara Bergman was hostess to members of the Ladies Auxiliary of the VFW at her home last Wednesday when a delightful evening was spent sewing 175 bed pads to be donated to the Veterans' Hospital at Reno. The pads will be taken to the hospital by Mrs. Dorothy Thrailkill. Final plans for the Mothers' March on Polio held Tuesday were made under the direction of Mrs. Virginia Kornazewich and Mrs. Peggy Rhodes.

The members also discussed the plans for the veterans' Washington Birthday dance to be held February 25th and the polio show scheduled for Saturday at the Brockway Theater.

Coffee and refreshments were served. Those attending included Mesdames Bergman, Milt Moseley, Jeanette Cinani, Kay Campbell, Ethel Antonson, Bernita Jones, Dorothy King, Virginia Kornazewich, June Mandeville, Pearl Moore, Jay Plunkett, Peggy Powell, Peggy Rhodes, Dorothy Thraikill, Vera Wood, Robert Moseley and Miss Audrey Welch.

Boy Scouts Mark 46th Birthday

Onward...For God and My Country

46TH ANNIVERSARY 1956

BOY SCOUTS OF AMERICA

OFFICIAL BOY SCOUT WEEK POSTER

More than 4,100,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders throughout the nation will observe Boy Scout Week, February 6 to 12, marking the 46th anniversary of the Boy Scouts of America.

Since 1910, Scouting has served over 24,500,000 boys and adult leaders.

The new Four-Year Program, "Onward for God and My Country," is launched in 1956 to help prepare America's boys to live in today's world and to prepare them to carry their full share in the years ahead.

Boy Scout Week observances will feature rededication ceremonies to be conducted by each of the nation's 104,000 units at their meeting places on February 8, the actual birthday of Scouting in America. Demonstrations and exhibits will dramatize the purposes of the Boy Scouts of America and its rich heritage.

On Tour

SACRAMENTO —(CNS)— An eastern tour during which he will deliver two Lincoln Day addresses on request of the Republican National Committee was announced by Governor Goodwin J. Knight. The governor said he will leave California February 3rd to keep speaking engagements.

Files Suit

AUBURN— Richard Spatz has filed a $12,000 damage action against Albert and Jean Henry, who managed the Granlibakken ski resort, for injuries he says he suffered there last year. The complaint charges he was cut by glass in the snow at the resort, resulting in an infection.

Wengen Races Attract 120 Entries To Summit

NORDEN— Gardner Smith of Reno won the downhill only of the Wengen race held at Sugar Bowl Sunday, his time being 1:05.5. There were 120 entries and the weather and snow perfect.

The women's class A event went to Bobette Hauisen of Soda Springs timed at 1:13.9. Mary Anne Tonini of the Truckee Athletic Club won the women's class B in 2:01.2.

The men's class B saw Tom Dempsey of Mammouth in first in 1:12.8, with Noel Cox of Truckee second and Bob Arthur of Sugar Bowl third. The men's class C went to Bart Hooley of Stanford with Hal Courtney and Pim Stratton, both of Soda Springs, second and third respectively.

The open class went to Jim Nicklos of Sierra Club with Pepi Gassiot and Bill Briner, both of Squaw Valley, second and third.

Nancy Hellman of Sugar Bowl took the women's class C race.

Commageres Will Keep Tahoe Sky Lodge Open

TAHOE CITY— Jim and Mabel Commagere will be operating Sky Lodge at Tahoe City during the vacation of Eve and Tony Donadio.

The Commageres are featuring delicious, filling homemade dishes including meal size sandwiches, chili, soups, pies and cakes and will welcome new and former customers and friends in their present place.

ALPINEER SKIERS PLAN MEET FEB. 16

SUGAR BOWL— The Alpineer Club's FWSA sanctioned giant slalom will be held at Sugar Bowl February 19th. The race is open to A, B and C racers with FWSA cards.

The famous Sacramento Bee trophy race will be held here March 4th.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Weather Changes

At last there came a change in the weather in our mountain region, after about two months of more or less soggy, slushy, clouded days and nights of intermittant rain and wet snow. On last Wednesday it turned colder, more like normal winter, and on Wednesday morning, January 25th Art Frodenberg registered five and a half inches of new snow with 1.12 in. precipitation. On the 26th he registered 2 inches of new snow with .51 precipitation; on the 27th, 24 inches of snow with 2.04 precipitation, and on the 28th, only light snow flurries which brought .01 precipitation. For the entire storm the snowfall measured 32 inches at Tahoe City, and the lake level on the weekend stood at 6227.33 feet above sea level. Witih a whole weekend of bright, warm, sunny days and clear moonlit nights, we begin to wonder if we are just wishfully dreaming again.

Good News

Friends in this locality were happily relieved this week when word reached here by the grapevine route that a recent report coming out of Reno, which concerned a former Tahoe resident, was only a sad mistake. This latest report states that Chris Nielsen, the one-time Tahoe resident, is definitely alive and enjoying good health, and has a good chance to remain so for 40 or 50 years to come. It is believed here that the first of his passing was sent to the paper by someone in or near Reno as a "would-be" joke. However, sending the report to the newspaper seems a very unintelligent way to make such an attempt, as in that case the home-town reporter has nothing to do with the reporting. Anyway, the Tahoe friends and neighbors of the Nielsens wish to express their best wishes, and say how happy they are to find it was all a mistake after all.

Si Pierson Passes

In a letter to Tahoe friends during the past week, Mrs. George Walters, the former Blanche Pierson, tells of the recent passing of her father, Silas Pierson who for many years was manager of the Tahoe Merchantile General Store, which burned down on the early morning of Octber 1st, 1937. Pierson, who had suffered ill health for several years past, had been under treatment at a bay region Veteran's hospital during that time. He passed away there, according to his daughter's letter, something over a week ago. Surviving him are his daughter Blanche, a resident of Alameda, and his wife, Alma, of San Francisco.

Flies to Italy

Miss Kathleen Starratt, daughter of Mrs. A. M. Anderson of this city, left Reno last Wednesday by United Airlines for New York City on the first lap of a trip with destination in the ski sports areas of Italy. At her New York landing she was met by friends, Mr. and Mrs. O. M. Mitchell of Greenwich, and motored with them to that city where she spent Thursday and Friday. On Saurday morning Mrs. Anderson received a wire from her daugher saying she was leaving New York that afternoon by Pan American, expecting to arrive in Milan, Italy, early on Sunday. It is only a short distance from Milan to Cortina and the heart of the 1956 ski sports area of the Italian Alps. On her arrival there Kathleen planned to join her friend Ann Bridgman who left here for Cortina almost two weeks ago. The two girls were to take in the Olympic games together in company with Miss Dodie Post of Squaw Valley who flew to the Cortina sports areas some time ago. In a letter from Dodie which Kathleen received before leaving Miss Post says that among the almost snowless areas of Austria and Italy she often wishes for some of our Sierra snows.

Rotary Meets

On the evening of Tuesday, January 24th, the Tahoe City Rotary Club held a dinner-meeting jointly with the Brockway Rotary in the dining room at Tahoe Inn. Presidents of the two clubs, Steve Korich and Bill Randall, alternated in presiding over a gathering of 54 members and guests. A visitor at the meeting was Placer County Supervisor L. L. (Andy) Anderson of the Fifth District, who resides in Forest Hill. Anderson visited Constable Harry Johanson here at that time, and was engaged part time in the investigation of various local problems, including road conditions. Johnny Richards, a visiting Truckee Rotarian, brought as his guest, Richard Little of the Truckee Lions Club. A local resident, guest of the evening was Ralph Bly, a Lake Forest contractor. As the entertainment for the evening Program Chairman Tony Donadio put on a baseball movie of the 1955 World Series game.

On Vacation

Mrs. Betty Starratt and young daughters Anne and Sally, left their home here on Saturday for a winter vacation in the Valley town of Lincoln. The little girls anticipated a joyful two weeks at the home of their maternal grandparents, Mr. and Mrs. Richard Lee, in that locality.

Family Moves

Mr. and Mrs. Bob Beckman and family, who spent the past few months in the apartments above the Jack and Dinty's Market, moved during the past week to the lakeside cottage on the cliffs, just across the highway. The children are looking forward to many happy hours of play along the green lakeshore in the spring.

At Sunnyside

Spending the past weekend at the old family lakeshore home at Sunnyside were Mrs. Arlene Towne Hotle and her family of six children. The winter home of the Hotles is in Piedmont.

Has Operation

During the past week Mrs. Marie Henry received a letter from her daughter and husband, Pat and Malcolm Fox, who for the past two or three weeks have been seeing Italy and Austria. Several days ago they drove into a town with a hospital and a good sergeon just in time, as Malcolm was suddenly taken very ill. When he underwent an emergency operation it was discovered that he was on the verge of having a ruptured appendix, which was fortunately prevented by quick action. According to last reports he is recovering normally.

Club to Meet

Louise Geier, corresponding secretary of the Women's Club of Tahoe, wishes to announce that the club will meet at Granlibakken on February 2nd at 12:30 p.m. Luncheon charge will be $1.55, and will be followed by the regular meeting. Each member attending is asked to bring a donation of canned goods for needy families. The secretary requests that those who plan to attend will telephone either 240, or 47 for reservations, by February 1st.

Winter at Tahoe

Miiss Lela Swanson, a former Tahoe resident for several years, drove into Tahoe City during the past week from the lower country, and is enjoying our first pleasant weather here for about two months. She plans to spend some time this winter at the home of her aunt, Mrs. N. R. Mayfield and is looking forward to some ski-fun on the well-conditioned slopes of nearby Granlibakken.

Dates For Filing For Offices Are Announced

With primary elections slated to be held throughout California Tuesday, June 5, County Clerk R. E. Deeble has announced that March 7 will be the first day for candidates for local offices open to file and circulate nomination papers. Fee for filing is $60.

Offices open in Nevada County for nomination and petitions are supervisors from the first, second and fifth districts and members of political party county central committees. There are no local judicial posts up for office this year, Deeble said, or constable positions, as this is an "off" year locally for poltitcal offices.

However, local voters will be called upon to make their choice for the president of the United States, a U. S. senator, a member of congress and state assemblyman.

Final deadline for filing petitions will be 5 p.m. Friday, March 30th, Deeble said. All filing can be made in the office of the county clerk.

Thursday, April 12th, will be the final day for registration of voters for the primary election.

4,713 Democrats With 4,500 Republicans In County Report Shows

Secretary of State Frank M. Jorden has announced preliminary figures for the June primary elections, announcing a total of 4,798,632 qualified electors in this state.

This was over half a million fewer than at the same time two years ago, Jordan told the Capitol News Service.

In Nevada county, there were 4,713 Democrats, and 4,500 Republicans registered, with miscellaneous registrations, including the Prohibition Party, bringing the total to 9,429.

For the entire state, 2,669,935 Democrats were registered, compared to 2,935,364 in January, 1954.

Republicans totaled 1,989,489, compared to 2,252,809 two years ago.

The Prohibition party qualified for the ballot with 5,420 registrants, which was slightly above the 4,798 figure needed to place the party on the ballot.

To Return

Charles Beardsley wrote from Venice that he is on a business trip in that congested area and in spite of nconvenience this country may offer in the winter he is hurrying back to the high Sierra as soon as possible.

Visits Friend—

Mrs. Everett Brouillard visited Mrs. Donna Songer in St. Mary's Hospital at San Francisco, finding her in good spirit following an operation. Since returning, Mr. and Mrs. Brouillard have moved from Truckee to Lake Forest.

Card of Thanks

We are very grateful for the efficient help of the Truckee Volunteer Fire Department members and other friends who were so helpful in confining to a small area the recent fire at our house

Grand Jury Foreman Offers To Represent This Area On Group

Members of the 1956 Nevada County Grand Jury venire who were prevented from attending the organization meeting early this month because of weather and road conditions, have received a letter from Charles R. Kitts, Nevada City, foreman of the grand jury, offering to represent this end of the county on the jury.

In his letter to local veniremen, Kitts declared:

I am more than a little concerned that through no one's fault a grand jury has been impaneled in Nevada County without representation from the eastern end of the county. I have discussed this matter with Judge Snell and I find that he is even more concerned.

I realize that the people called from there would have been present if at all possible. There was nothing that could have been done. The law in effect says that if nineteen and no more of the duly summoned panel are present on call they shall constitute the Grand Jury and that is just what happened, ninteen and no more.

In order to make the best of a situation, I would like to suggest that the eastern end of the County look upon me as their representative on the jury. I will be very happy to meet with any person or group at their earliest convenience upon request and do my best to handle any problem for them.

Diane Shauer Selected Betty Crocker Home Maker Of Tomorrow

Truckee's Betty Crocker Homemaker of Tomorrow has been named!

Diane Shauer has earned through competitive examination the honor of representing Tahoe-Truckee High School in statewide judging for $1,500 and $500 scholarships, it was announced today by General Mills, sponsor of this home appreciation program. A quarter million young women throughout the nation participated.

Miss Shauer will also be eligible to compete for a $5,000 national scholarship award to be made to the All-American Homemaker of Tomorrow.

She demonstrated her homemaking knowledge and aptitude by receiving the highest score for her school in a written examination which was given graduating senior girls in 10,222 of the nation's public, private and parochial high schools. Her test paper will be entered in competition with 319 school winners in this state.

The girl selected state Homemaker of Tomorrow will receive a $1,500 scholarship and a trip in April with her school advisor to Washington, colonial Williamsburg, Va., and Philadelphia where the national winner will be selected from the state winners.

Each state runner-up will receive a $500 scholarship.

Bud Bradshaw of Donner Lake Lodge is reported to be a hospital patient at Reno.

ORGANIZATION OF BOOK CLUB SLATED

The organizational meeting for the Great Books discussion group, scheduled to meet in the Community Center Library, was cancelled last Thursday evening because of the storm. It is now scheduled for 8 P.M. the evening of February 9. Many people have contacted the library and expressed their desire to participate in the Great Books discussions and others are encouraged to call and have their names placed on the prospectus for the coming meeting.

The library-arranged display of antiquities for this week and next week consists of illustrations of ships and sailing craft of the past centuries. Many of those of the 16th and 17th centuries are hand printed and hand painted in color. One of the more renown ones show Lord Nelson's victorious British fleet returning from the battle of Aboukir where Napoleon Bonaparte was defeated.

The library welcomes gifts of new or used books, photographs of local interest, and maps that show the trails and passes of early California history. Donors of the past year include Mrs. Glenn Coffey and Messrs. Ernest Ineichen, James Martin, and Melvin Throop. Loyal contributors of magazines are the Walter Loynds and J. W. Clarks.

On Committee

SACRAMENTO —(CNS)— Assembly Speaker L. H. Lincoln announced appointment of Assembly man Francis C. Lindsay, Placer county, to the assembly interim committee on ways and means, to succeed Gorden A. Fleury, Sacramento, who recently resigned from the assembly.

Former Residents Here—

Mr. and Mrs. Paul Kaspian of Oakland were local visitors during the weekend. They have been remodeling and redecorating their apartment building in the bay district.

Visits Relatives—

Mrs. Kenneth Hedlund and children left this week for a stay in the bay district with relatives.

Student Home—

Miss Marie Osburn is at home between semesters from Chico State College, visiting with her parents, Mr. and Mrs. Charles Osburn. The student observed her birth date in January while here.

Flood Damage To Roads Set At Over 31 Millions

SACRAMENTO —(CNS)— The state department of public works reported to the California highway commission that damage to highways and streets by Christmas floods will cost an estimated $31,416,000 to repair.

J. W. Vickrey, assistant state highway engineer, told the commission damage to state highways amounted to $11,263,000, county roads $19,453,000, and city streets $700,000.

Birthdates Celebrated By Local Residents

A number of local people who have enjoyed their birth date celebrations during the past month include Deborah Lynn, daughter of Mr. and Mrs. George Zorich of Soda Springs who had the event fittingly observed on the 6th of January; Mrs. Ray Hintz and two children, Charles and Evelyn who took three days in the first week of the month to observe their respective dates; Susan, small daughter of Mr. and Mrs. Don Schuler and Glenn, son of Mr. and Mrs. Ralph Brettauer each chose January 25th for their natal days.

January 5th was celebrated in the home of Mr. and Mrs. Reg Smart in honor of their son Brian and on the same date Wilana, daughter of Mr. and Mrs. William Curran had her birthday anniversary.

County Shares

SACRAMENTO —(CNS)— Robert C. Kirkwood, state controller, today announced that Nevada county will receive $21,082 as its share of highway users taxes apportioned to counties in January.

Prescription Pharmacists

Almost daily, new drugs appear which we are urged to offer. To reject the unproved products is just as important to this pharmacy as is the service of being alert to provide the newest and the best.
There are certain helpful guides on which we rely. Reliable pharmaceutical manufacturers, such as Parke, Davis & Company, establish quality and effectiveness with exhaustive clinical tests *before* a product is announced. Your Doctor is then given facts, and on his judgment we rely in making our decision.
Thus, if a preparation is in our stock, you are assured of its reliability.
